

Floyd Central High School Online Summer School—2017

- **If you plan on enrolling in Summer School PE, please fill out the separate application. Student must pre-register for that class!**
- **Cost of an online course is \$10.00 with no charge for free and reduced lunch students. In order for the students to be entered into PLATO, students need to have paid.**
- Students are to turn in this application to Mrs. Romines at the bookstore by May 5th. Students should fill out the entire front of this page. These students will receive this form returned to them with login information on the reverse side during the week of 5/23. Once students receive this information, they may begin work in the course.
- Those students who do not turn the form in by that date will need to report to the cafeteria at 8 am on June 5th.
- **Students must take all post and unit tests as well as mid-terms and final exams at FCHS but may work on modules and mastery tests at home.**
- Teachers will be available at Floyd Central High School beginning Monday June 5th through June 23rd from 8 am to 12 pm.
- Classes are listed on the back of this flier. Students may only take one class at a time, unless the principal grants special permission.
- “Get ahead” courses may be taken with permission of the principal. Please note that any courses taken in the summer **do not** count for class rank. However, it will be counted towards a student’s overall GPA.
 - **Those students taking Health online will need to attend a 2-hour workshop on CPR and AED training as required by the state of Indiana. That will be held in B 102 beginning at 8 am on June 5th.**
- Those students already enrolled in a PLATO course will be “rolled over” into the summer and will not be charged again.
