

# Floyd Central High School

## Incoming Freshman Summer School Course Request 2017

If your student wishes to take Career Information and Exploration (CIE) or Health over the summer please **fill out the application and return it to Mr. Lowry by Friday, May 5th as well as enclose \$10.00 for each class selected. Keep in mind that approval will be granted if your student wishes to take more rigorous courses in place of CIE or Health.** There is no cost for those on free and reduced lunch. **Although you may choose to do both online classes this summer, past experience tells us that it is realistic to complete only one online course.**

### NEXT STEPS:

1. A copy of this form will be returned to you through HHMS the last week of school, complete with login information on the reverse of this paper. You may begin working on courses as soon as you receive your login information.
2. Students must come to FCHS to complete any tests. During summer school, teachers will be available at Floyd Central High School beginning **Monday June 5<sup>th</sup> through June 23<sup>rd</sup> from 8 am to 12 pm.**
3. Please note that any course taken in the summer **does not** count for class rank. However, it will be counted towards a student's overall GPA.
4. Those students taking **Health** will be required to attend a workshop on CPR training. This training will take place at Floyd Central High School on June 5th, from 9-11am.
5. If you wish to take a course other than CIE or Health please contact Dr. Willman directly.
6. Further questions can be directed to Mrs. Simler ([jsimler@nafcs.org](mailto:jsimler@nafcs.org)).
