Last Minute Changes

Please note, dates and times are subject to change. Many things can change during the last week of school. Class rank and some associated honors are just two examples. Please be patient and flexible, and concentrate on finishing the year strong!

Students, please be on the lookout for a Google survey regarding your tentative plans for participating in senior activities. The survey will also ask if you have a preferred name you would like to have announced as you cross the stage at graduation. Please remember that your diploma will still reflect your legal name. If you have a name that may be difficult to pronounce, please see your administrator to confirm the correct pronunciation. (Mrs. Johnson A-G, Mr. Hatton H-N, Mrs. Payne O-Z)

If something is overlooked or forgotten, please let us know and we'll do our best to correct it to give you the recognition you have earned.

These next few months will fly by faster than you know. Take the time to say goodbye to teachers and friends and recognize anyone who has made an impact on your high school years. May you always look back at this time fondly. Congratulations Class of 2024!
